MERRY CHRISTMAS
AND HAPPY NEW YEAR!**

Dorothy is the “chief” of our medication room. She checks in and organizes incoming medication donations from Americares and Direct Relief International, prepares dispensing labels, pulls expired medications, inputs medication information. In other words, she is indispensable to our Chronic Care program. Dorothy was born in Maryland, and has that distinctive East Coast accent. She and her husband retired from the Army here at Fort Hood, and Dorothy is a retired contracting employee. She was part of the team that went to Iraq to help close down operations there. In her spare time she loves to travel, and enjoyed a recent trip to Michigan. Dorothy dedicates 20-25 hours a week to the Free Clinic and states, “I love the people – staff, patients; I like helping people.” We love you too Dorothy!

LUNCH AND LEARN

Please join us the first Thursday of each month for a free lunch, door prizes, and some education related to health. Please check our website for upcoming classes.

PARTING WORDS

2015 has been a very busy year here at the Greater Killeen Free Clinic. Without the support of the local hospitals, other community partners, and our donors, we could not take care of those in medical need. We serve as a safety net, helping those who have no other medical resources.

Thank you, all of you, for your support.

HAVE A VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR!
